

Otumoetai Intermediate School

Application for a 2019 Digital Class Placement

Child's Name: _____ Year Level 2018: _____

Address: _____

Previous School: _____

Parent/Caregiver Names: _____

Telephone No: _____ Email: _____

I/We wish to apply for my son/daughter _____ to be placed in a digital class for 2019.

I understand this application will require us to purchase or lease from a supplier, a Chromebook for our child's exclusive use at school. I understand that the Chromebook to be purchased or leased, must meet school specifications as displayed on our school website and available from the school office.

I understand there is a \$100.00 Chromebook technical support fee payable per year if my child is offered a place in this class. If you wish to direct credit the payment to the school account, please credit to:

12-3407-0029060-00 - using your child's name as a reference

I understand that the school will most likely group students with Chromebooks together in a digital class.

I understand that if my son/daughter has not purchased a Chromebook for the beginning of 2019, their place in a digital class will be allocated to another student.

Signed: _____ Date: _____

Details about the school specifications and purchasing options are available on the school website and on a separate information sheet in this school enrolment pack.
