DIGITAL PLACEMENT

I/We wish my child _____ to have a digital class placement for 2022.

I understand this will require us to purchase or lease from a supplier, a Chromebook for our child's exclusive use at school. I understand that the Chromebook to be purchased or leased, must meet school specifications as displayed on our school website and available from the school office.

I understand there is a \$100.00 Chromebook technical support fee payable per year if my child is offered a place in this class. If you wish to direct credit the payment to the school account, please credit to:

12-3407-0029060-00 – using your child's name as a reference **(Due 22nd October 2021)**

I understand that the school will most likely group students with Chromebooks together in a digital class.

I understand that if my child does not have a Chromebook for the beginning of 2022, their place in a digital class will be allocated to another student.
