

Dear parents, caregivers, students and friends of the school.
Tēnā koutou katoa. Ngā mihi nui ki a koutou katoa.

Welcome to edition 12 of 'The Link'.

Term 4 is well underway with a continued focus on high levels of achievement by all students. Our Education Outside the Classroom Programme has commenced with all Year 7 classes attending camp at Ngatuhua Lodge and Year 8 classes commencing their activities at Waimarino and the Adrenalin Forest.

In sports, the spotlight has shifted from the Anchor AIMS GAMES to summer sports. On Friday we held our annual Athletics Day which included a team skill based activities as well as the sprint finals.

Academic pursuits have also featured strongly at school with our highly successful Bay Maths competitions. End of year assessments are about to commence and we will be preparing for next year's classes over the next four weeks.

All in all, it is a busy time and we appreciate the support and assistance provided by parents involved in sports, class trips, outdoor education and PTA.

NAU MAI, HAERE MAI - FROM THE BOARD

The school Board of Trustees met on Thursday 26th October 2017, outlined below are some highlights from that meeting:

- We were presented with evidence of how well the school ensures that our children develop the necessary skills and competencies to live in a Global environment. We were impressed with examples of how staff integrate digital devices into all areas of their daily programme, teach important Cyber safety skills and support Internet ethics. In addition, we are very fortunate to have access to a second language teachers at OIS, including Mandarin. These teachers help to establish a school culture which supports tolerance and understanding of cultural diversity.
- The Management Team have been working hard to complete the staffing structure for 2018, and while there are some small changes in personnel, by-in-large our Teaching Team remains unchanged.
- We are very pleased to have our building plans for Block B accepted by tender, with an expected start date during the Christmas holiday break.
- The whanau hui was held on Wednesday 25th October and was well attended with a highlight being the school Kapa Haka group performing; showcasing the benefits of collaboration between OIS and the Otumoetai College students.

Nga Mihi Nui.

Fiona Matthews, Board Trustee

WESTERN BAY POLICE PHYSICAL COMPETENCY TEST (PCT) CHALLENGE 2017

On Thursday 26th October, our two Otumoetai PCT Fear Factor teams did us proud! This year we had a Year 7 team and a Year 8 team participate in the competition. There were approximately 16 teams competing across four different challenges: the Police Physical Competency Test, a Crime Scene Investigation, The Great Escape and the Code Breaker Challenge. It is a great day run by Blue Light Ventures and the Te Aranui Youth Trust and is designed for students to use physical fitness, team work and brain power.

A big thanks to Calum Davie who always gives us his time to work with and support our students. They had a great time escaping out of handcuffs, sorting out a multitude of lines and curves to put together fingerprint puzzles, working together to break codes in complete silence while blind folded, using their detective skills to work out what had happened at a burglary scene and then they showed true grit and determination when they hit the PCT course.

As usual, Otumoetai Intermediate set some incredible times on the course and the students gave it their all; they were very impressive. Alex, Mia, George, Kiana, Maya, Lulu, Ashton and Lucas; your sportsmanship and how you represented our school on the day, was second to none.

WBEET BAYMATHS 2017

Now in its eighth year, the annual BAYMATHS competition for Years 6, 7 and 8 students was recently held in the Otumoetai Intermediate School Hall, over two nights. On the 19th October 2017, Year 7 and 8 students from afar-a-field as Hastings, Taranaki, Taupo, Gisborne, Hamilton and of course teams from the Bay of Plenty put their heads together in an effort to win the mathematics problem-solving competition. Thirty-one Year 7 teams and thirty-four Year 8 teams competed for medals, prizes and the trophy for the top team in each year group.

Major Year 7 placings for the top team overall went to Tauranga Intermediate for first place, with Ilminster Intermediate second and Peachgrove Intermediate in third placing. Otumoetai's A team (Ashlyn Judkins, Reuben Timms and Tejeshwar Sandhu) and our B team (Michelle Clarke, Montana Wheeler and Ethan Roux) also achieved commendable placings – 14th and 8th respectively.

In the Year 8 competition, the top teams were Peachgrove Intermediate in first place, with Bethlehem College second and Berkley Normal Middle School coming third. Our A team (Luke Hunter, Anthony Wigley and Zachary Graham) came out 9th overall and our B team (Emily Wahab, Matthew Kirkwood and Aston Hamilton) achieved 11th placing – very commendable results!

The Year 6 competition was held on the evening of 26th October 2017 and saw 46 teams from around the Bay playing off. This year saw ACG School walking away with the Year 6 Top Team Trophy for 2017, with Bellevue Primary second and Omanu Primary in third place. (A notable, amazing result came from ACG's Jed Gouldson in the Individual Round (10 problems in 10 minutes), who answered all 10 questions correctly in a staggering 3 minutes 19 seconds!! That's around 20 seconds per question – including reading time!!)

We thank all our Otumoetai Intermediate students, parents and staff who assisted on each evening as markers, runners and in various other capacities. Without that help and support the competition would not have been the success it was. We are also indebted to the following firms and organisations for their support and sponsorship of the events: Western Bay Energy for Education Trust (Major Sponsor), Noel Leeming Tauranga Branch (prizes for the Supporter's Quiz), Palmers Garden Centre Bethlehem (Plants and shrubs for venue decoration), The Monaco Corporation (Casio Calculator prizes), ASB (pens for each competitor) and Brebner Print (pads of working-paper).

INTERNATIONAL STUDENTS SPORTS

On Friday 3rd November 2017 the Sports Academy students provided a fun coaching session for the International Students and their buddies. Students were split into groups to play sports such as kiwi tag, soccer, basketball, volleyball and softball. The session was not only enjoyable but provided the International Students with some great skills. Thank you very much Mrs Chappell and the Sports Academy students for organizing this wonderful event. We hope you enjoyed it as much as we did.

STUDENT ACHIEVEMENT AWARDS

As you all know the school acknowledges students' successes by awarding colours at assembly to recognise students' achievement. The following is the criteria we have published on our school website:

- The first level standards are green merit ribbons awarded to any student who achieves a number of criteria in mathematics, reading or writing. These are shown in each student's portfolio and based on our minimum standards for pupil achievement.
- The second level colours are blue merit ribbons awarded to students for significant contributions in academic, cultural, sporting or citizenship categories. All students who represent the school in interschool activities will receive one of these awards.
- The third and most prestigious award is a red Principal's Award. This award will be given at the end of the year to our most outstanding students. These students will have made significant contributions to the school across all four categories. Students can be nominated for awards by their teacher, coach and fellow students.

There is also a variety of additional awards used to acknowledge service to the school such as library, etc. Home learning is also acknowledged for students who complete all tasks each term. There is no limit to the number of awards each student can aspire to and students are encouraged to sew their merit awards onto their school jacket or jersey sleeve.

This year we have also recognised individual student achievement outside of the school. This will be limited to students who are successful as representatives in regional and national competitions. General participation in other activities will not earn a sporting or cultural colour but will be acknowledged in our school newsletter.

FINAL ASSEMBLY AND END OF YEAR AWARDS

Friday 15th December 2017 at 11.00 am

At this final assembly we will celebrate our students' successes and present the school's top award "The Principal's Award" to students who have made outstanding contributions to the school and excelled across all four disciplines. These disciplines are: citizenship, sports, cultural and academic attainment. This is the 15th year we will be presenting these red ribbon awards to recognise the achievement of our top students. The basis for selection will be "Student Involvement and Success" forms from their portfolios. **Parents are invited to join us at this final assembly to celebrate the year**

Programme for Assembly:

- Whole assembly singing National Anthem
- Welcome and introduction – Deputy Principal or Student Leaders
- Address by Mrs Fiona McTavish – Board of Trustees Chair
- Principal's Awards presented to Year 7 students (1st group)
- School Leaders Speech
- Principal's Awards presented to Year 7 students (2nd group)
- Address by Mr Popping – School Principal
- Principal's Awards presented to Year 8 students (1st group)
- Music Academy Item
- Principal's Awards presented to Year 8 students (2nd group)
- Closing comments by Mr Popping
- Approximate finish time 1.00 pm

END OF YEAR LIBRARY BOOK AMNESTY AND YEAR 8 SOCIAL

A reminder that all outstanding fees are required to be paid and library books to be returned to our school by Wednesday 29th November 2017 prior to your child attending the Year 8 Social.

CAMP AND EOTC REMINDER

Just a reminder that the Year 7 camp at Ngatuhua Lodge and the Year 8 outdoor education programme are due for payment in full before they attend any activities.

The cost of the camp is \$105.00 and cost of the outdoor education programme is \$90.00.

2017 ICAS INTERNATIONAL EXAMS

At Otumoetai Intermediate, any student who wishes to sit these international competitions may do so. We encourage all students to give this a go and we congratulate all students who chose to participate in these exams. Each student who achieved more than 50% on the national scale was presented with their academic award at assembly. Particular congratulations to the following students who achieved higher awards:

2018 STATIONERY ORDERS

A reminder that if you are purchasing stationery from our school, these packs need to be ordered and paid for by Friday 8th December 2017.

Please make cheques payable to: **OTUMOETAI INTERMEDIATE SCHOOL** and attach to the order form. If paying by cash, please ensure the correct money is placed in an envelope attached to the order form. If you wish to direct credit the payment to the school account, please credit to: 12-3407-0029060-00 using your child's name as a reference. EFTPOS is available at the school office.

Please note: Hats will be available for purchase from the school office (\$10.00) 9.00 am to 2.00 pm from Tuesday 30th January 2018. People who have pre-ordered and pre-paid for stationery packs may also collect these from the school office 9.00 am to 2.00 pm from Tuesday 30th January 2018.

PICKING UP AND DROPPING OFF STUDENTS

Parents and Caregivers become part of the solution

Please pre-plan your pick up and drop off of students at the car park Carlton St reserve off Ngatai Road avoid Charles Street altogether and let your student walk up to the school. The Carlton St reserve off Ngatai Road below the school provides plenty of free vehicle parks and students can walk safely to and from school.

The congestion in Charles Street becomes unsafe and it is important for buses to use this area. It would also leave this small street accessible for parents picking up a student in emergencies. Please consider a healthier safer alternative of parking and walking.

Safety Concerns in School Carpark

Some mornings before school there are sports training sessions. Consequently, there are often students around our school earlier than normal. All too often we are seeing parents who are clearly in a hurry to drop their child off and get to their own work, who drive into the front carpark at really excessive speeds. They usually then continue with the speed and exit by the recycling and clothes bins towards the college. Others drive into the exits at similar speeds. Numerous times, other drivers have had to stop their car, or get out of the way on foot as this happens.

Our main concern is for those students on foot who are also early for a training session. We would like to appeal to our parents dropping off a student to put student safety first when entering or exiting our car park.

CHOOSE SAFETY OVER CONVENIENCE. REDUCE CHAOS AT OUR SCHOOL GATE.

2018 DIGITAL TECH SUPPORT FEE

A reminder that the 2018 technical support fee of \$100.00 for students with chrome books is due for payment by 17th November 2017. If you would like to pay by direct credit via internet banking, the school bank account no is 12-3407-0029060-00. Please include your child's name and 'chrome book fee' with the payment.

Basketball

Manawa Marston has been selected to go to an Under 12 Basketball Jamboree in Australia. She also played in an Under 13 Rotorua tournament on Labour weekend which her team won and played in the Under 13 Northern Regional Championships and came third place but went on to win the following weekend in Rotorua.

Canoe Slalom

Hazel Blissett placed 2nd in the club race.

Cricket

Nico Brown has been named in the Coastlands age group Rep Team.

Joel Griffiths has been selected to play for Cricket Bay of Plenty in Blue 7a Rep team.

Rachel Wahab and Melany Sinclair made the Bay of Plenty Under 14 girls cricket team to play at the Kaipara Under 14 Invitation Cricket Tournament on November 5th and 6th. Girls were selected from throughout the Bay including Tauranga, Taupo and Rotorua. They played against other teams from the Northern Districts region. The Bay girls won their first two games against Counties/Manakau and Hamilton, and narrowly lost the final (by 13 runs) to Northland. Rachel and Melany both played well, scoring runs and taking wickets.

The Bay of Plenty under 14 team is the first step in Bay of Plenty Cricket women's cricket pathway, which follows on from the highly successful GoGirl Development programme managed by Bay of Plenty Crickets women's development officer, Rebecca Yee.

Martial Arts

The following students competed at the Taekwondo 2017 Under 18 Series at Rose Hill College in Auckland with these results

- Dakota Filer – placed 2nd in Patterns and 2nd in Sparring.
- Paige Roach – placed 1st in Sparring and 3rd in Patterns and Speciality.
