

Dear parents, caregivers, students and friends of the school.
Tēnā koutou katoa. Ngā mihi nui ki a koutou katoa.

Welcome back to all our students and a warm welcome to new families who are joining the school for Term Two. Our major fundraiser for the year gets underway this term in the form of our Knowledgeathon. We look forward to your support of this activity and encourage you to take this opportunity to get involved in your son or daughter's learning.

We appreciate the support of parents and caregivers in ensuring that all our students arrive at school in correct school uniform and ready to learn. We are looking forward to a busy and productive term.

Winter sports are getting underway and sincere thanks to all parents and caregivers who have volunteered their time to coach and manage school teams.

The focus this term continues on achieving high levels of attainment in reading, writing and mathematics whilst developing our students' skills for lifelong learning. This means each student will be encouraged to actively engage in their learning by asking four key questions in each area of study.

These are:

1. ***Why am I doing this task?***
2. ***How am I going to be assessed on how successful I have been?***
3. ***How have I achieved this task?***
4. ***If that's how I have done, where to next?***

Parents and caregivers are encouraged to actively participate in their child's learning through discussion at home, looking at their child's individual portfolio at any time and through parent interviews in July or as needed.

Emphasis will continue on encouragement, positive attitudes and consideration of others. Manners will be reinforced, particularly in the way students speak to each other and adults. Families are invited to assist us by also focusing on these at home.

Our school is committed to guiding our students towards good citizenship, the development of high levels of interpersonal skills and powerful thinking.

This includes enabling all students to use digital technology as an integral part of their learning at our school.

Nga Mihi Nui

OTUMOETAI COMMUNITY OF LEARNING/KĀHUI AKO

Kia ora Koutou

This is the first of regular updates you will receive from me as the Lead Principal for the Ōtūmoetai Community of Learning/Kāhui Ako. Since the launch of our Community of Learning/Kāhui Ako at Ōtūmoetai College last year, a lot has happened and we are moving from the establishment phase to working with teachers and students across and within our nine schools.

What we are doing and why

Communities of Learning/Kāhui Ako are primarily about raising student achievement, encouraging a more joined-up, collaborative approach to education. They are about improving student progress, achievement and well-being throughout the learner pathway – it is a transformational opportunity for the New Zealand education system.

Overall Governance

The over sight of our Community of Learning/Kāhui Ako is carried out by a Steering Committee who have met regularly since the establishment of our Community of Learning/Kāhui Ako in 2015. Representatives on this committee are Principals and / or Senior Leaders from each member school, Iwi partners, two Early Childhood Education (ECE) reps and Ministry of Education Advisors. Boards of Trustees Chairs have participated in the past and are welcome to all meetings of this committee.

Achievement Challenges

Our achievement challenges were endorsed by the Minister of Education on 17 February 2017 and are as follows:

STUDENT WELL-BEING / WHOLE CHILD	(Over riding focus for CoL)
ORAL LANGUAGE (English) / KŌRERO	(Priority focus for work in the ECE to Year 3 area of our CoL)
KŌRERO TE REO MĀORI	(Priority for Maori medium classes and Te Wharekura o Mauao and an area for development in mainstream classes)
READING / PĀNUI	(One of our challenges which goes hand in hand with writing)
WRITING / TUHITUHI	(Priority focus for work in the year 4 to year 13 areas of the CoL.)
PRIORITY LEARNERS	(These are students with learning support needs and Maori boys in particular)

This endorsement enabled us to commence with the appointment of our seven across-school and 35 within-school teachers. You may be aware that we have had two rounds of recruiting across-school teachers from within our schools and have successfully appointed five teachers.

As Lead Principal, I have been meeting with these across-school teachers and they have begun to work across the Community of Learning/Kāhui Ako.

Their first task is to get to know the schools in their area of work and the staff they will be working with. Each school was given the responsibility to appoint their within-school teachers and we have 35 of these teachers in our CoL.

ECE Involvement

An exciting development in our CoL is the involvement of our Early Childhood Centres and Kohunga Reo. Our 37 local ECE's have come together and are committed to working with our Community of Learning/Kāhui Ako. They have elected two representatives who participate in our Steering Committee meetings. We are also developing closer relationships with our Marae-based Kohunga Reo.

The ECE's don't get any funding from the Ministry of Education to join our CoL, however, we hope to give their teachers opportunities to join with us in professional development they may not normally access. Transition is important as children move from ECE to primary school so this is a major focus, as well as the acquisition of oral language in the junior area of our Community of Learning/Kāhui Ako

Iwi Involvement

Our Community of Learning/Kāhui Ako is committed to forming enduring partnerships with our Tauranga Moana Iwi. Marina Kawe-Peautolu representing Ngati Ranginui Iwi, has been a member of our Steering Committee since its inception. I have also combined with Andrew King, the Lead Principal of the Tauranga Peninsula Community of Learning/Kāhui Ako in meeting with CEO's and senior leaders of our local Iwi.

As our Community of Learning/Kāhui Ako develops and builds on collaborative practice between our schools and between teachers in our schools, we recognise and acknowledge the importance of forming close and meaningful relationships with our whanau and Tauranga Moana iwi.

New Learning Support framework Co-construction and Trial

Our Community of Learning/Kāhui Ako has been asked by the Ministry of Education to assist in the development of a new framework for Learning Support. This replaces what used to be known as Special Education and the intent is to create a new streamlined system for parents and schools to access support for students with Learning Support needs. We have combined with the Whakatane and Taupo Communities of Learning/ Kāhui Ako in co-constructing and trialling a new system for referrals and support.

Theresa Rosborough, Deputy Principal at Pillans Point School has been selected to represent the three Communities of Learning/Kāhui Ako as an experienced practitioner who understands the needs and frustrations of students, their parents and schools in accessing the right support for students with additional needs. She has been seconded to work with the Ministry of Education, school SENCOs and Learning support service providers to assist with the formation of a new system.

A number of consultative meetings have been held as part of this process including a parent consultative meeting held at Otumoetai Intermediate School. Over 180 parents came along to find out what is proposed and provided feedback from a parent and whanau point of view.

Community of Learning/Kāhui Ako working groups

Our Community of Learning/Kāhui Ako is organised into four broad levels and led by learning mentors nominated by and drawn from the nine schools in our Community of Learning/Kāhui Ako. The learning mentors are Deputy Principals and senior leaders in their own school whose role is to mentor and give advice and guidance to our new across-school and within-school teachers. We have a combination of learning mentors and across-school teachers in each of the following levels and working groups:

- ECE through Year 1 to Year 3, Year 4 to Year 6, Year 7 and Year 8, Year 9 to Year 13.

The across-school teachers have been meeting with their learning mentors and myself, as Lead Principal, to develop action plans for collaborative practice across our nine schools. The focus for the ECE to Year 3 area is the development of oral language and good progress is being made in linking ECEs with our teachers in years 1 to 3. The focus for Years 4 to 6, Years 7 and 8 and Years 9 to 13 is writing. The learning mentors in these areas have brought together student data from across the Community of Learning/Kāhui Ako and are now developing actions for building teacher capacity in specific areas of writing using the Learning Progressions as a basis.

We are starting to see collaborative practice within each level, across the levels and between English and Maori Medium schools and classes.

Teachers in each school can expect to become more involved as the across-school teachers make contact with them and start leading collaborative practice across our collective schools.

At this stage, the within-school teachers have been tasked with coming to grips with their roles and developing leadership of collaborative practice in their own schools.

The intent is to have all teachers and school leaders working collaboratively within and across our schools in partnership with our key stakeholders: parents and students in lifting student achievement in the achievement challenges above.

Professional development for teachers

A lot of professional development is happening within and across our schools in oral language, writing, and mathematics. Our schools have begun to work together in delivering professional development to all teachers in our Community of Learning/Kāhui Ako and we are seeing the benefit of collaboration and the sharing ideas between teachers as they meet and work with colleagues from other schools in our Community of Learning/Kāhui Ako.

I will endeavour to provide everyone with an update on our Community of Learning/Kāhui Ako at least twice a term or as significant changes, developments or events take place.

Nga mihi nui,

Henk Popping
Lead Principal.

MID-YEAR PARENT-TEACHER CONFERENCES AND WRITTEN REPORTS REMINDER

When: Thursday 6th July 2017

Time: 7.30 am to 8.00 pm

Just a reminder that the parent-teacher conferences will run throughout the whole day and will be of 20-minute duration. This is to allow parents to have quality discussions with the teacher around their child's learning and progress at school. We ask all parents to keep their child at home for the day except to accompany you to school for your meeting with the teacher.

The school will be open to supervise any students who do not have alternative care arrangements.

Interviews will be booked through www.parentinterviews.co.nz. Students will be given information on 26th June 2017 with detailed instructions on how to book your interview. This will include a unique booking code.

You will not need to register with School-Links to book your interview times.

TEACHER ONLY DAY

Please note that the school will be closed for instruction on **Monday 22nd May 2017**.

SCHOOL CROSS COUNTRY

Our school cross-country will be held on 26th May 2017.

PAPER AND CARDBOARD RECYCLING

We are collecting all your clean paper, newspaper and cardboard at the front of the school.

For every tonne we collect, the school receives \$50.00.

Recycling can be dropped off Monday to Friday during school hours.

2017 KNOWLEDGEATHON

The PTA Knowledgeathon fundraiser is used to raise money for projects that directly benefit the students in each year. The money raised this year will be used to replace the astroturf on our top field. **We are asking every student to raise at least \$10.00 in sponsorship.** Our goal is to raise in excess of \$10,000.00

How does it work?

During weeks 1 - 7 of this term the students will be learning the answers to 100 questions. During **week 7**, they will be tested on these 100 questions. The aim of this Knowledgeathon is for the students to learn the answers and get sponsorship per question answered correctly or a donation. The staff will mark the Knowledgeathon test and the students will receive their marked tests the following day. Money collection can begin as soon as they have received their score. To be considered for individual prize draws and class prizes all money must be in by **Friday 30th June (week 9)**.

Prizes

- Individual prize draws.
- Top class prizes (for money raised) and top class prize for most perfect scores (100/100)
- Special effort prizes for outstanding individual effort.
- Top family prize (for money raised)

What happened to last year's money?

Last year the PTA used the funds raised to help purchase 240 chromebooks and 10 large screen TVs. More than \$25,000.00 was raised enabling students to have access to up to date technology that would have otherwise not been available.

Thank you for your time and help with making our Knowledgeathon successful.

CANTEEN

Lunch orders are available Monday to Friday.

All lunches must be pre-ordered before 8.45 am with the correct cash as no change is given. No EFTPOS is available. Students need to complete an order form which is available from the hall. Lunches are delivered to our school and students can collect them at 12.30 from the hall.

A copy of the lunch order menu is available on our website at www.otuinter.school.nz.

OTUMOETAI INTERMEDIATE TEACHER JOINS THE CAST OF SURVIVOR NEW ZEALAND

One of our Otumoetai Intermediate teachers, Tom Paterson was selected from 8,000 applicants to join the cast of Survivor New Zealand which airs on TV2 Sunday and Monday nights. Filming took place in Nicaragua during term 3 last year and Tom talked to the school at assembly this week about some of the things he had to face in the jungle.

We wish Tom all the best as he participates in this reality TV show.

OTUMOETAI INTERMEDIATE SPORTS FEES AND DONATIONS

We would like to thank all those families who are supporting the school through the specific and general school donations. We can provide a quality education to your child only if all families support the school with a donation.

Invoices have been sent out for sports fees last term. There have been reminders posted on School-Links that these fees are due and expected to be paid before the start of the season.

You can either pay these fees directly at the office or online into the following account number:

12-3407-0029060-00 (using your child's name and the sport they play as the reference).

If you have paid your fees in the last few days, thank you. If you are not in a position to pay these fees, then please ring Jo Dey in the Sports Office. If for some reason your child is no longer playing sport, please let Jo Dey know.

If you have any queries, please contact Jo on 576 5105 or by email on jdey@otuinter.school.nz.

TRAVELLING TO SCHOOL

Bus Transport

No student should be travelling on a Tauranga Transport Network bus or the school minibus without a Term 2 or annual bus pass. If you have not yet purchased your child's bus pass, please be aware that students will not be admitted on the buses without a pass.

Coming to School by Bicycle

Students are welcome to cycle to and from school in their PE gear for better visibility but must change into their uniform for the school day. Please remember cycle helmets must be worn. Cycles are stored in our two secure cycle enclosures. Students should also secure their own bike to the bicycle stand.

Although the cycle enclosures are locked daily, the school takes no responsibility for stolen bikes or helmets. We will however, follow up any attempted or reported thefts. Fortunately, these are extremely rare occurrences.

Coming to School by Scooter

Last term a number of students came to school on scooters. In previous years these have been banned from school along with skateboards because of the danger these have posed to the rider and other pedestrians.

We will look closely at student behaviour in the first few weeks of this term and reserve the right to ban scooters from the school should problems arise.

The school will not take responsibility for the security of scooters and will not provide storage for them in classroom areas. Scooters may be locked into the bike stands alongside bicycles. Skateboards are not permitted on school site at any time **unless we are holding a skateboard day**.

Coming to School by Car

A big thank you to all drivers who are obeying the clearway signs at the front of the school. If you are a regular driver, please make arrangements to pick up your child in Queen Road or Ngatai Road.

The Carlton Reserve has a lot of car parks and is an ideal rendezvous spot.

COMMUNICATING WITH PARENTS

More and more of our school information is available electronically and we have two apps which are great for your mobile phones. The Findus App at www.findus.co.nz/otumoetaiintermediateschool enables you to access the information shown below. The PTC App enables you to access our school calendar directly on your mobile phone. This is updated regularly. All families who have provided us with their email addresses have been loaded onto our School-Links system and will receive notifications and other school information.

✓ **EVENTS** ✓ **INSTANT SCHOOL MESSAGES** ✓ **ABSENTEE**

DOWNLOAD OUR SCHOOL CALENDAR APP

HOW: In Play Store or App Store search "Parent Teacher Calendar" and choose our school once installed.

Otumoetai Intermediate School App Guide

- ✓ **Download the FindUs App**
- ✓ **Scan our School Code**

If you do not have the FindUs App on your phone then register as a new user, this only needs to be done once.

Then tap on our school logo, the blue info icon will link you to all our details and quick links. Example links:

- Tap our phone number to call
- Tap absences button to submit
- Tap newsletters button to view
- Tap calendar button to view events
- Scroll to email enquiry box
- Tap to link to Google Maps

And more...

The FindUs App is not only used for schools throughout New Zealand but also used to collect loyalty counts, event pamphlets, filling out surveys, collecting business cards, voting, entering prize draws and more...

You will find the FindUs QR codes everywhere start collecting: **SCAN OUR CODE TODAY!!**

Download the FREE FindUs app to scan

or scan this code with your QR Reader to download

SPORTS NEWS

Touch Rugby

On the 24th March 2017 three Otumoetai Intermediate School Touch teams travelled to Rotorua to compete in the Poverty Bay/BOP Touch Tournament. The year 7 and 8 boy's teams played well together and demonstrated perseverance playing against a very strong opposition. In the Year 8 girls competition the team showed discipline by playing to the teams strengths and successfully making it to the finals. In order to win, the girls had to play the same team they had previously lost to in the 2016 final. We were very determined to take the gold from last year's winners Kaitao, however after a nail biting drop-off, Kaitao scored the first try to win the final. The Year 7 boys placed 5th overall.

It was a fantastic day and I wish the Year 7 players all the best for next year. Bring on 2018!

Tai Mitchell

The 2017 Tai Mitchell Tauranga North squad has been announced by coaches Richard Brown and Bull Allen. Congratulations to all those who have been selected:

- Nico Brown, Oliver Francis, Lachlan Groos, Maui Hunt, Zane Loughnan, Eli MacPherson, Sam Matheson, Spencer McNeil, Ashton Paintin, Aidan Roberts, Kooper Smith, Leo Smith, Bailey Twigg and Jack Webster.

Running

Charo Heijnen competed in the 5km section of the Tauranga 1/2 marathon. She placed 6th Overall, 2nd female Overall and 1st Female 0-14 Years.

Golf

Jed Donovan was awarded the convenors choice at the Top of the Harbour competition.

Canoe Slalom

Hazel Blissett and Ashton Blair competed at the New Zealand Secondary School Champs last term. In the K1, Ashton placed 12th in under 14 men and Hazel placed 8th in under 14 women. Ashton also placed 10th in the downriver sprint.

They also competed as a team in K1 and placed 6th in the under 14 category.

Water Polo

The Otumoetai Intermediate School A Team won their grade for the season in their competition. The team consisted of: Danielle Fowler, Deahna Gray, Mason Kritz, Zane Loughnan, Eli MacPherson, Breeana McTavish-Huriwai, Lily Pearce, Maxwell Rickit, Jack Webster and Jasmine Wheeler.

Swimming

Lulu Johnson competed in the Otumoetai Swimming Club Champs and placed 1st in the 50m Freestyle, 1st in the 100 IM and 1st in the 50 Breast. She also placed 2nd in the 200m Breaststroke, 2nd in the 25 Fly and 2nd in the 50 Backstroke.

Danielle Fowler went to the Rising Stars Swim meet in Rotorua and achieved 3rd overall in the 11 Year female with the following results: 1st in the 50 fly, 1st in the 50 back, 1st in the 100 back, 2nd in the 100 fly, 3rd in the 50 free and 3rd in the 200m mixed relay. Danielle also had her Otumoetai Swimming Club day recently and achieved the following: 1st in the 25 fly, 1st in the 50 back, 2nd in the 50 free, 2nd in the 100 free and 2nd in the 100 IM.

Futsal

Oliver Hymers has been chosen for the Futsal National Under 12 Team.

Synchronized Swimming

Sophie Black competed in a Figures Competition and placed 2nd in the 12 and Under.

BMX

Elliot Kale placed 2nd at the NZ Nationals.

Rock Climbing

Ethan Alderson placed 6th in the Regionals which enabled him to compete at the Nationals.

Athletics

Neisha Moore was placed 1st Overall and awarded the Field Trophy at their end of season prize giving.

Mariners

Nina Miedema competed at the Mariners Easter camp and placed 3rd in the Sailing Starburst, 2nd in the Sailing Cutter, 1st in the Shooting, 4th in the Rowing and 1st in the Swimming.

Equestrian

The following girls competed in the Tauranga Pony Club Show Challenge:

- Naomi Mortimer: 2nd Callback Jumpoff, 2nd Accumulator, 5th Speed Round.
- McKenna Parker: 1st Stop Callback Jumpoff, 1st Accumulator 90cm.
- Mackenzie Morgan: 1st Stop Callback Jumpoff, 1st Stop Speed Round, 1st Pickering Cup
- Leah Graham: 3rd Callback Jumpoff, 1st Speed round., 2nd Pickering Cup Team, 4th Pickering Cup.

Baseball

Jeongmin Shin, Jeongmin Heo and Hyungkyu Choi all competed in the Under 12 Nationals held in Auckland representing Tauranga.
