

Water Polo

We will not be holding trials for these teams, but we will be trialling early term 2 for the AIMS water polo team.

We will be ability grouping students based on the information you provide, as well as last year's teams.

There are three grades, 'A', 'B' and 'C'. A & B Grades – suited to the more experienced players, compete on Tuesday evenings. The C Grade play on Friday nights and is compulsory to all inexperienced players.

A and B grades play on a Tuesday night starting 14th February through to 28th of March. Games can be between 4 and 8pm.

C grade plays on a Friday night starting 17th February through to the 31st of March, this grade is more social and for new players. Games can be between 4 and 8pm.

All games are played in the dive pool at Toi Ohomai Polytechnic. Please note your child must be able to tread water unassisted for at least 5 minutes in the deep pool.

Team members will need appropriate swimming gear only, no goggles. Organisers will supply all referees.

The school supplies caps to use.

Each team must have a coach and/or manager to ensure the team gets entered.

We welcome anyone with prior experience or with a willingness to help out with your child's team.

Six team members are in the pool at once but most teams will want at least 9-10 players as the game is tiring.

Baywave is usually where we book training times but it is closed for maintenance this term.

I have booked Memorial Pool on Wednesday's from 6.30-8pm. We only have 6 lanes booked as that is all I could be allocated.

Waterpolo fees for Term 1, 2023 are \$100. This can be deposited into the School Bank Account or cash can be brought to the main office.

The \$100 fee covers training time at memorial pool, use of gear, and referees.

Our bank account number is 12-3407-0029060-00.

Please make sure you put your child's name and Waterpolo Term 1 in the reference box and pay by the 24th of February.
