This competition is organised by Kiwi Tag Tauranga – OIS does not field representative teams but facilitates the formation of teams on the league organiser's behalf. Students sort themselves into teams with no more than 10 players max and will need to come up with a team name. The Sports Co-ordinator will have sheets for the students to fill out and return with student's full names, a team name and a coach/manager. **No sheet returned then no team entered.**

These teams will be put up on the sports noticeboard for reference, then parents will get invoiced. Each team needs a Coach/Manager before they can be registered. You don't have to 'coach' but we need a representative adult for each team so the draw can be sent and you can organise the team game times knowing you have enough players, etc. Many parents set up a WhatsApp group to stay in touch.

Students are to wear their school PE tops for games, and will be given shorts to borrow for the term provided by the Kiwi Tag organisers. These shorts will be dropped off to the Sports Co-ordinator who will give each team a bag to take to their first game. These will then be collected on finals day. The draw will be sent out weekly to the registered Managers/Coaches of each team.

Please note that your child's registration is not finalised until payment has been received after you have been invoiced.

The rules and a field map will be sent out with the first draw.
