This competition is organised by Volleyball Tauranga – OIS does not field representative teams but facilitates the formation of teams on the league organiser's behalf. Students sort themselves into teams with no more than 8-9 players max and will need to come up with a team name. The Sports Co-ordinator will have sheets for the students to fill out and return with student's full names, a team name and a coach/manager. **No sheet returned then no team entered.**

These teams will be put up on the sports noticeboard for reference, then parents will get invoiced. Each team needs a Coach/Manager before they can be registered. You don't have to 'coach' but we need a representative adult for each team so the draw can be sent and you can organise the team game times knowing you have enough players, etc. Many parents set up a WhatsApp group to stay in touch.

Students are to wear their school PE tops for games. **Please note that your child's registration is not finalised until payment has been received after you have been invoiced.**

Please visit Volleyball Tauranga's website at volleyballtauranga.co.nz for more information and to find the draw for each week.

Coaches/managers please email me if you would like to book in a training time at the school courts. First in first served.
